

Hutton Church of England Primary School

Newsletter 1

*Believe. Achieve, Succeed.
In our hands we hold the future.*

Dear Parents,

It's a lovely warm welcome back to school this week. I would like to wish an especially warm welcome to our youngest pupils who start at the end of this week and to all new pupils and staff.

Hutton Horticultural Show

Congratulations to all the children for their entries at this years show. School entered everyone's handwriting and art work and many children entered the other categories by busily baking, making things and taking photographs over the holiday.

I received lots of comments about the high standard of the pupils work in all areas.

If the children won their category and were not there to receive their prizes on Saturday, they will be handed out in Collective Worship on Friday.

Health Care Plans

If your child has any medical issues that we need to be aware of, eg asthma, allergies etc please can you come in and complete an updated form.

School Crossing Patrol

Unfortunately, although appointed, the School Crossing Patrol is still awaiting training from North Somerset before being able to start! I have been in touch with North Somerset to encourage them to do this urgently! We are all very frustrated that this has not happened over the summer holiday, but there are legal reasons why she must have training from the appropriate people before she starts! I will keep you informed if I hear any more news!

Luci Amos

Clubs for term 1

	<u>Before School</u> <u>8:15-8:45</u>	<u>After School</u> <u>3:20-4:30</u>

*French - this is available at £10 per session. Please see attached for information.

PLEASE COMPLETE THE FORM BELOW IF YOUR CHILD WISHES TO ATTEND A CLUB.

PLEA for Help from Builders and Gardeners!

Our PTFA raised enough money to buy us a greenhouse. We are delighted with this and have ordered it for the 1st October. We, however, require a base! This requires some digging out. Mixing concrete and laying slabs.

Please **complete the form** to say if you will be able to help us with this project (and so we know how many bacon butties we are making!).

We aim to start the digging out on **Saturday 14th September, at 10am.**

Greenhouse

I would be willing to help with digging the base/laying slabs for the greenhouse on Saturday 14th September.
