Dear Parents,

### Reading Helpers

As a school we have been monitoring our pupil's reading logs. We feel that there are many pupils who are not spending sufficient time reading at home. We are well aware of the time pressures of some parents and the distractions of computer games rather than reading. We would therefore be delighted if a group of parents would be willing to come into school on a regular basis and help listen to some children practising their reading.

- We would place you in classes other than your own child's class.
- We would want you to sign to agree to keep the information/children's ability levels confidential
- We would ask that you attend the Reading meeting first

I will be re-running the Reading meeting for parents on Thursday 5<sup>th</sup> March from 2:15pm and repeating it at 5pm for anyone interested in attending. (This is for everyone regardless of whether you would like to be a reading helper).
