How Kaleidoscope Supports its Church Schools

Kaleidoscope celebrates and supports its Church Schools vision, values and Christian distinctiveness. Church Schools and the communities they serve are important and integral members of our MAT and we work hard to ensure that our policies, procedures and actions capture this. This is encapsulated in our 5Cs.

Half of our Members and Trustees are Foundation members and have been approved by the Diocese of Bath and Wells. Church Schools are a specific focus at our meetings and we have developed policies for the Church Schools within our MAT. Kaleidoscope has a close working partnership with the Diocese and our leaders and staff attend meetings/training led by the Diocese. In addition to this, we have our Church Schools Forum where we discuss policy and develop best practice across our Church Schools. As a MAT, our schools and leaders work closely together to support each other. This is part of Kaleidoscopes collaborative ethos.
